

# 2017-2018 Product List

## Bagged Rock Salt

**Mega Melt Rock Salt**—50# bags, 49 bags/pallet  
Melts ice and snow down to 5 degrees F. Optimized crystals for high performance. Dyed blue for easy application tracking.

### Eco-Salt (beet juice-coated salt)

**50# bags, 48 bags/pallet**  
Granular salt treated with Beet Juice. Works 30% faster than salt and works to -30 degrees. Adheres to the surface applied to, no tracking. Reduces chloride usage.

### Calcium Chloride Pellets

**50# bags, 56 bags/pallet**  
Peladow Calcium Chloride. More than 90 percent calcium chloride. The most effective ice and snow melting compound. Melts 2 to 5 times faster than other ice melt solutions.

### Magnesium Chloride Pellets

**50# bags, 48 bags/pallet**

### Magnesium Chloride Flakes

**50# bags, 48 bags/pallet**  
Less toxic than baking soda. US Dept. of Transportation research concluded that magnesium chloride is less damaging to concrete.

## Commercial Blends

### National Seed Commercial Blend

**50# bags, 49 bags/pallet**  
Uses RUSH for high-powered ice melting. Blue crystals help provide efficient application and even ice melting. Melts ice and snow to -15 degrees. Safe for use on treated wood/concrete.

### Lightning Fast

**50# bags, 49 bags/pallet**  
Blue crystals help provide efficient application and even ice melting. Melts ice and snow to -12 degrees. Safe for use on treated wood and concrete.

### Quad Release

**50# bags, 50 bags/pallet**  
Light green four-way melting power, melts to -16 degrees. Coated with non-staining colorant. Treated with an organic anti-caking product to increase storage life.

## Industrial Strength Blends

### Power Thaw

**50# bags, 49 bags/pallet**  
Blue crystals help provide efficient application and even ice melting. Melts ice and snow to -20 degrees. Safe for use on treated wood and concrete.

### Pro Slicer

**50# bags, 49 bags/pallet**  
Fast acting heat generation. Ice and snow begin melting upon contact. Melts ice down to -15 degrees. Distinct purple color.

## Retail Blends

### Ice No Mor

**20# bags, 120 bags/pallet**  
Blue crystals help provide efficient application and even ice melting. Melts ice and snow to -5 degrees. Safe for use on treated wood and concrete.

### Winter Paw

**8# jugs, 120 jugs/pallet**  
Safe for pet's paws. Contains no salt. Environmentally friendly and safe to use on sidewalks and driveways. Melts ice and snow to -15 degrees.

## Bulk Products

### Bulk Rock Salt

Approximately 22-24 tons per truckload  
Ships out of Lemont or Chicago, Illinois terminal.

### Snow-Slicer

Approximately 22-24 tons per truckload  
Purple color. Ships out of Lemont, Illinois terminal.

## Snow Shovels

**Wolverine Snow Shovels**  
18" and 24" Poly Snow Pushers
